Membership

To register, you must be a member of the Lundabygdens Suzukiförening, and the Suzuki Day is free for all members. Information about membership is available at lundasuzuki.se.

Lunch/Coffee

- Bring a lunch bag. Note that the lunch break is short (about 30 minutes), and that there is no possibility to heat up the food.
- Fruit is served in the morning and fika in the afternoon for all participating children. Adults can buy coffee using SWISH.
- Bring your own mug for saft for the children.

Don't forget to bake :)!

- As always, we ask everyone to bake something and hand it in in the morning at registration (nut-free!). This gives us the opportunity to provide a luxury-fika for the children and also provide income for the association through sales to parents. In case of allergy, bring fika labeled with contents and we will put it on a separate table.

Please observe

- Parents are responsible for their children during all day and we therefore ask you to attend.
